• Combining Landside w/ No action might cause confusion to those voting on the opus. Side of the room.

- Folks might assume (as I did before asking) where this option is - forcing folks to vote for option B-D - !!

More airplanes mean noise at my house. As technology improves, you might have much quieter aircraft, so I dispute the previous comment about noise. More airplanes might mean more investment in quieter aircraft so Less noise.

OUR TOWN CAN USE ALL WAYS FOR
PEOPLE TO ENJOY TAHOE - THE OUTDOORS,
GOLF TOURNAMENTS, ETC. ALSO, IF WE
EVER HAVE ANOTHER BAD FIRE, OUR

FIRE FIGHTING PLANES. ALSO -
AS A LOCAL, EVERY TIME WE HAVE
HAD AN AIRLINE HERE, I HAVE USED
IT; PSA, TAHOE AIR, ALLEGIANTE.

In asking 3 folks w/ name tags - NONE knew where the proposed 'event' acreage would live. ~~More~~ Challenging to make a vote on non-aeronautical use when this info is unknown.

I like concert venue idea; people can fly in to see a concert. So this option is preferred, except why give up possible room for additional hangers on ~~the~~ south end?
