The South Tahoe Action Team (STAT) provides certain access to fire department facilities and equipment. For this reason, a screening process is used to evaluate suitability for this volunteer program. This screening process is similar to the process used to evaluate suitability for a fire department ride-along. This screening process includes a check of your official criminal history as well as a check of your local history with the police department. If you do not wish to comply with this requirement, you should not submit your application.

By submitting your application, you:

1. Agree to a review of your criminal history and local history with the Police Department
2. Agree that such review will be used to evaluate your suitability to the program
3. Agree that the City has sole authority to decide to either include you or exclude you from the program on the basis of this review

By signing this document, you agree to attend all sessions to the best of your ability. You hereby give City staff permission to use your image on official documents, brochures, videos, and social media platforms.
