

Project Information Meeting

Thursday, April 24, 2014

6:00 to 8:00 PM

South Lake Tahoe Senior Center

3050 Lake Tahoe Boulevard, South Lake Tahoe, CA

City of South Lake Tahoe

Harrison Avenue Streetscape Improvement Project

Construction Information Meeting

*short term
inconvenience for long
term benefit*

The City of South Lake Tahoe invites you to a public meeting for the Harrison Avenue Streetscape Improvement Project. During construction, the project will involve road closures, traffic detours, parking closures, and pedestrian/bike impacts that may effect all property owners, business owners and patrons within the Project area. The project area includes Harrison Avenue and Riverside Avenue along with Modesto Avenue, San Francisco Avenue, Tallac Avenue, Alameda Avenue and San Jose Avenue (between Harrison Avenue and Riverside Avenue). This meeting will provide information about the project and the anticipated construction activities, along with a chance for local residents and businesses to raise specific questions and concerns.
