The South Tahoe Action Team (STAT) provides certain access to fire department facilities and equipment. For this reason, a screening process is used to evaluate suitability for this program. This screening process is similar to the process used to evaluate suitability for a ride-along. This screening process includes a check of your official criminal history and a check of your local history with the police department. If you do not wish to comply with this requirement, you should not submit your application. By submitting your application, you:

- 1) Agree to a review of your criminal history and local history with the police department
- 2) Agree that such review will be used to evaluate your suitability to the program
- 3) Agree that the City has sole authority to decide to either include you or exclude you from the program on the basis of this review

*\*\*\* I agree to attend all sessions to the best of my ability. I hereby give City staff permission to use my image on official documents, brochures, and videos.*
