

Would you like to voice your opinion on items on the City Council Agenda without having to attend the meeting in person? The City has launched a new tool for members of the community to submit their comments online and there's an option to cast your vote in support, opposition or offer a neutral position to the City Council before they decide on the issue.

To use this new tool, simply go to the City Council agenda page as shown below, and then click "eComment." A new window will open, scroll through the agenda and weigh in on any item or issue of interest to you.

Click the link below and follow it to the City Council agenda page.

The screenshot shows the City Council website interface. On the left is a navigation sidebar with links for 'City Council Protocols', 'Strategic Plan', 'Watch Council Meetings', 'eComment', 'PAY ONLINE', 'PARTNERSHIPS', 'GO GREEN', and 'LET'S TALK'. Below these is a 'STAY CONNECTED' section with social media icons. The main content area includes a message about Silverlight streaming, a search bar for archives, and an 'Upcoming Events' table. The table has columns for Name, Date, Agenda, and eComment. The first row is 'CITY COUNCIL/STRSA' on 'July 07, 2015 - 09:00 AM'. A red circle highlights the 'eComment' link in the first row, with an arrow pointing to it and the text 'Click now to go to the City Council Agenda page'. Below the table is an 'Archived Videos' section with a year selector (2015-2007) and a table of video entries.
