Reduced Parking Rates at Cities Parking Garage *In time for Memorial Day Holiday*

South Lake Tahoe, CA (May 26, 2016) - The City of South Lake Tahoe has introduced a new parking rate of \$5.00 after 5pm at the parking garage at Heavenly Village located at 1 Bellamy Court. This new rate goes into effect on Friday, May 27th, just in time for the Memorial Day holiday weekend.

Due to the recent implementation of the new license plate reader system at the parking garage the City now has flexibility to establish variable parking garage rates. Businesses in the area have contacted City staff and have made requests to establish a reduced evening rate.

The newly established rate provides an evening rate of \$1.50 an hour with a maximum total charge of \$5 dollars for evening hours. Christmas, New Year's Eve and July 4th holidays are excluded from this rate.

The parking garage's ticketless system relies on license plate recognition and your phone number for entry and exit to the facility.

For questions contact South Lake Tahoe Police Department, Lead Community Services Officer, Amy Poole at apoole@cityofslt.us
