ANNUAL REPORT

For 2014-15 Fiscal Year

**Parking Revenue Refunding Bonds
Series 2013**

South Tahoe Joint Powers Parking Financing Authority

June 2015

Section A - Introduction

In November 2013, the South Tahoe Joint Powers Parking Financing Authority (Authority) issued its Parking Revenue Refunding Bonds (Bonds) in the amount of \$7,735,000. The Bonds are secured by and payable from Gross Revenues and amounts held in certain funds and accounts established by the Indenture dated November 1, 2013, that was entered into as part of the issuance of the Bonds. Gross Revenues include:

1. Revenues from operation of the parking garage. The Authority is authorized to deduct from the Gross Revenues the costs for operation and maintenance of the Garage prior to making bond debt service payments.
2. Surplus Special Tax Revenues from Community Facilities District No. 2001-1 that are available after debt service on the District's Series 2001 Special Tax Bonds.

As part of the issuance of the Bonds, the Authority executed a Continuing Disclosure Certificate. The Disclosure Certificate was executed and delivered by the Authority for the benefit of the holders and beneficial owners of the bonds and in order to assist the Participating Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5).

The Disclosure Certificate for the Bonds requires the Authority to file an Annual Report with the Municipal Securities Rulemaking Board (MSRB) no later than June 30 of each year. The Annual Report needs to contain or incorporate by reference the following information and data:

- (a) The Authority's audited financial statements prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board, and as further modified according to applicable State law. If the Authority's audited financial statements are not available by the time the Annual Report is required to be filed, the Annual Report shall contain unaudited financial statements in a format similar to the usual format utilized by the Authority, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available.
- (b) The following financial and operating data:
 - (1) Principal amount of Bonds outstanding
 - (2) Balance in the Revenue Fund, and any sub account therein.
 - (3) Balance in the Bond Interest Account, and any sub account therein.
 - (4) Balance in the Bond Principal Account, and any sub account therein.
 - (5) Balance in the Bond Reserve Account.
 - (6) Balance in the Supplemental Reserve Account.

- (7) Balance in the Bond Redemption Fund, and any sub account therein.
- (8) Balance in the Surplus Revenue Account
- (9) Annual operating budget of the Parking Garage for the current fiscal year. Such budget shall describe for the Fiscal Year the anticipated receipts of Gross Revenues, costs and expenses for the Parking Garage and such other matters as the Authority shall deem necessary or appropriate, and shall include all anticipated Gross Revenues, Maintenance and Operation Expenses, Annual Bond Debt Service payments, the Renewal and Replacement Requirement and the Renewal and Replacement Annual Contribution for such Fiscal Year. Such budget shall include a comparison of actual operating results to the budget for the prior year.
- (10) To the extent not otherwise provided pursuant to the preceding items, annual information required to be filed by the Authority with the California Debt and Investment Advisory Commission pursuant to Sections 50075.1, 50075.3, 53359.5(b), 53410(d) or 53411 of the California Government Code.
- (11) A calculation showing whether the Coverage Test has been satisfied during the fiscal year.

The Annual Report must also include certain information on the South Tahoe Redevelopment Agency Community Facilities District No. 2001-1 (Districts) Special Tax Revenues. That information has been provided by including a copy of the Annual Report for the Special Tax Refunding Bonds, Series 2007 as Appendix A to this report.

This Annual Report provides the required information for the Authority's 2013-14 fiscal year and budget estimates for the 2014-2015 fiscal year. The audited financials for the Authority for the 2013-14 fiscal year are part of the City of South Lake Tahoe's Comprehensive Annual Financial Report. The relevant parts of the CAFR have been submitted under separate cover.

The balance of this Report shows the other required information and data shown above. The revenue and expense estimates contained in the following sections of this Report are based upon information and data which we believe to be reasonable and accurate. To a certain extent, the budget estimates of revenue and expenditures are based on assumptions that are subject to a degree of uncertainty and variation and therefore are not represented as results that will actually be achieved.

Financial and Operating Data

Table 1 on the following page shows the current status of the various bond funds and accounts as of September 30, 2014 (the end of the 2013-14 fiscal year) and year to date data through April 2015.

Table 2 shows the Annual Operating Budget and Coverage for the Parking Garage for the 2013-14 and 2014-15 fiscal years. The Authority’s fiscal year runs from October 1 through September 30. For 2013-14, Table 1 also includes the audited actual results for the Parking Garage. The Indenture for the 2013 Bonds also requires that the City indicate the amount of the Renewal and Replacement Requirement for the next five years. City staff has indicated that amount at approximately \$160,000. The Renewal and Replacement Annual Contribution for 2014-15 is estimated at \$32,000. This amount is included in the approved budget as part of the machinery and equipment line item.

Also as required by the Disclosure Certificate, Table 2 also includes a calculation showing whether the Coverage Test has been satisfied for the current fiscal year. Section 6.10 of the Indenture includes a definition for the Coverage Test which reads as follows:

So long as any of the Bonds are Outstanding, the Authority will establish and maintain or cause to be established and maintained such rules and regulations and such rentals, rates, fees and charges for the use of the Project as will be required to generate in each Fiscal Year Net Operating Revenues equal to at least one and one-half times (1.50x) Net Maximum Annual Debt Service for the Bond Year commencing in such Fiscal Year (the "Coverage Test").

The Indenture defines Net Operating Revenues as Operating Revenues less Maintenance and Operation Expenses. As shown on Table 2, actual Net Operating Revenues for 2013-14 were \$449,802 and are estimated at \$514,609 for 2014-15. Net Maximum Annual Debt Service is defined in the Indenture to mean Maximum Annual Debt Service less Surplus Special Tax Revenues reduced by 1.10, which equals \$255,781 for 2013-14 and are estimated at \$269,550 for 2014-15 as shown on Table 2. The Coverage Test for 2013-14 was 1.76x, and is estimated at 1.91x for 2014-15. This is greater than the 1.50x required in the Indenture.
